

ANNUAL INSPECTION OF BASSANO CADETS HELD LAST FRIDAY

The Annual Inspection of the Bassano Cadets was held last Friday morning, June 14th, at the G. H. Rison-Bennett, Staff Officer of Military District 13 being the Inspector.

The spectators, among whom were the Mayor and several members of the Town Council, were treated to an outstanding performance of Cadet exercises by the boys.

"Lieut. Rison-Bennett addressing the boys after the inspection, pointed out that it was the German youth that Hitler had relied on for his success, and therefore it must be the youth of Canada who will make the world safe for democracy. He informed the boys they had a great reputation to uphold, as the Bassano Cadets were represented in every branch of His Majesty's Forces, several having already made the supreme sacrifice.

The inspecting Officer commented on the steadiness of the boys on parade, the high degree of efficiency displayed in the rifle exercises and platoon drill.

A selected squad of sixteen cadets gave a display of physical training with rifles accompanied by music, in the Masoule field, which received high compliments from the inspecting Officer and a large number of spectators.

At the close of the inspection Lieut. Rison-Bennett presented Gold and Bronze Medals to Cadets R. Lore, Bill Stiles and George Smith for high scores made in the Dominion of Canada Rifle Competition. George Smith is to be presented with a medal which he won in the Lord Strathcona Competition at some future date. Signalling pins were presented to Bob Stiles, Ted Redmond, Walby Phillips, and Riton Barlow for proficiency in signalling.

We were to attend the Big Dance to be held in the Curling Rink on FRIDAY the 20th, sponsored by the Board of Trade. Good music will be provided by Rudy Miller and his band and with the aid of the fine dance floor recently laid, a good time is assured for all who attend.

LATHOM

A softball practice was held here Sunday afternoon. Quite a few turned out and about 3 hours practice limbered most of the players up. The next day however they found many more spots from the exercise. They hope to go up a team and play some neighborly teams if possible.

Mr. and Mrs. J. H. and Mary Paul and Dick Walsh were guests Sunday, at the Lore home.

Mary Lore is spending her week-end vacation at her home here.

Mr. and Mrs. G. Smith were dinner guests Sunday at the Goring home. Then they were also supper guests at the H. Steinhilber home near Bassano.

Mr. and Mrs. J. Ferguson, and children and Mrs. Hildes were week-end visitors at the H. Mott home.

Obituaries

The funeral service of Mrs. Annie James Armstrong—nee Brice, was held at the Knox Presbyterian Church on Sunday at 2 p.m., when quite a number of friends and relatives of the deceased assembled to pay their last respects.

The service was conducted by the Pastor—Charles F. Laine, who took as the Text for his address—"She is not dead but sleepeth." A solo favourite of the late Mrs. Armstrong—"Sometimes we'll understand"—was sung during the service. Mrs. Armstrong was born at Ingle near Simcoe, Ont., in the year 1860. On Sunday, June 19th, she passed away in the Bassano Hospital at the age of 72 years.

She leaves to mourn her passing, one son, Glen of Lennox; two daughters, Mrs. H. Orr of Buchanan and Mrs. E. Walsh of Bassano, and four grandchildren. Mrs. Armstrong is also survived by three brothers, Charles, Wilbur and Art Brice.

The interment was made at the Bassano Cemetery. The pallbearers were: W. R. Playfair, J. Remick, R. Lore, C. G. Smith, Leo Walsh and J. Ryan.

PRESENTATIONS MADE AT HIGH SCHOOL PICNIC

Last Thursday afternoon, the pupils and teachers of the Bassano High School held their social event of the term in the form of a picnic. About fifty students accompanied by Mr. N. Brown, Mr. S. Moorey and Mr. Geo. Smith drove to the Back Waters where hiking, boating and soft-ball were thoroughly enjoyed.

When the cut-drier air began to stimulate hunger pains, the "cafeteria" started, and abetting it, prepared hot-dogs, cake and coffee and marshmallows that seemed to meet with the general approval of the company.

After lunch three presentations were made.

The first, which was a telescope fishing rod was presented to Mr. Meeres on behalf of his pupils in appreciation of his work in the high school.

In thanking the students Mr. Meeres said that he had enjoyed working with them and participated wished success to the graduating class.

The second presentation was to Miss Brown who is leaving shortly to take up a position with the Government in Eastern Canada. It was a brown leather travelling case.

Miss Brown said that she also had enjoyed this year, and thanked the pupils for their gift.

Finally, a camera was presented to Jean Wilson, who is moving to Calgary with her family, to reside there. Jean has lived all her life in Bassano and will be greatly missed.

In replying, Jean thanked her class-mates and said that for the first time in her life she was practically speechless.

Following a camp-fire session, the party left for home, tired, dirty and satisfied.

BASSANO UNIT VICTORY LOAN NOW FLYING SIX PENNANTS

Subscriptions to the Victory Loan made at Bassano up to Wednesday night were \$24,900, this total being lent to the government by 174 subscribers. This amount entitles the local unit to fly six honor pennants, having gone over the quota by 153 percent.

With three more days to go, Campaign Manager E. Sherrett expressed the hope Wednesday night that another \$2400 would be subscribed, thereby bringing the total to an amount equal to 250 percent of the objective set by headquarters at Calgary, and giving Bassano seven honor pennants. It is not too late yet to subscribe to the loan or to increase your purchases of bonds, remember your dollars are urgently needed to keep the Nazi hordes away from ours and Britain's shores.

LOCAL ITEMS

Miss Grace Elliott spent the week-end at her home in Bassano.

Mrs. Lennox of Moose Jaw spent Sunday at the home of her sister, Mrs. C. L. Smith, while on route to Victoria.

Ken will leave for Calgary next Monday, June 23rd, to take his place with the force as a steam engineer. Mrs. Hansen and the children will remain at Bassano. Here's wishing him the best of luck and hoping that he will return to town after the trip is won.

Relative, friends and former pupils of Ralph Arrison gathered at the station to see him off when he passed through Bassano on his way to Brandon where he will train as pilot in the R.C.A.F.

Ralph was born at Makepeace and educated in Bassano. After graduating from Bassano High School and Calgary Normal School he was principal at Rosemary, later he came to Bassano to teach, he was also supervisor at the Bassano Dormitory.

His many friends wish him the best of luck in his new venture.

RED CROSS NOTES

"We need a Canadian Women's Red Cross unit, and we need it badly, for the cause of our brave defenders and while we realize that it is a difficult time of year for many people it should be remembered that for them the war is gathering momentum and for us it is little enough to give a few hours each day to a job we can still accomplish from the safety of comfortable workrooms or the shelter of our homes."

The Quilt donated by the Anglican Ladies Auxiliary will be raffled on Friday, June 20th, at the Bassano Board of Trade Dance. The tickets were sold by the J. Red Cross and the proceeds will be turned over to the Bassano Red Cross. If you have not purchased any tickets to date be sure to do so before Friday.

WEDDINGS

A quiet wedding was solemnized at Brooks, Thursday, June 12th, when Miss Margaret (Peggy) Hayes eldest daughter of Mr. and Mrs. C. J. Hayes was united in marriage to Harry Frank Pragnell, eldest son of Mr. and Mrs. F. Pragnell.

The ceremony was performed by Rev. James Morrow of Brooks. The witnesses were Miss Rose Zellinger and the bride's brother, Mr. Jay Hayes.

The bride was attired in Navy Blue and White with Navy and White accessories. The young couple left for Banff for a few days. They will take up residence in Bassano.

MAKEPEACE

Mr. and Mrs. Fred Palmer of Crowfoot were Sunday visitors at the home of Mrs. Hoffebower. Leah Hoffebower wants to know who the unknown party is who is sending her post cards.

We are beginning to hear a faint tinkling of wedding bells in the district.

The Crowfoot ladies held a Red Cross meeting on Wednesday at the home of Mrs. Hoffebower.

Mr. and Mrs. Fred Bulger were to the Faculty Field Day in Brooks last Thursday.

Cecil Heryford is still in the hospital; we hope to see him home soon.

Mrs. E. W. Campbell was a visitor at the home of J. Bulger's on Wednesday.

Edna Heryford had the misfortune to break his arm when he fell off his horse; he is a patient at the Bassano Hospital.

Fredrick Jorgensen is home on leave.

Mr. and Mrs. Fred Bulger and Joe were visitors at the home of Mrs. W. Wade of Glen last Sunday.

The last Red Cross Meeting was held at the home of Mrs. Jensen. A good amount of work was turned in considering that there had been a meeting the week before: 3 pairs of slippers, 3 pairs of pants, 3 pairs of socks, 3 baby hoods, 1 helmet, 2 pair ankle socks, 3 pairs socks, 1 quilt top and 1 quilt.

A quilt-top was also turned in by the Crowfoot Ladies.

The ladies extended a vote of thanks to Mrs. Joe King who donated a comfort cover.

The next meeting will be held at the home of Mrs. Joe Roberge. The tickets for the saddle horse race will be ready for distribution to the Red Cross Ladies for selling. So boys when you see one of these ladies coming with a small book in her hand and a determined look in her eye just start digging in your pockets.

CORRECTION

In publishing the Victory Loan address delivered by Pastor C. F. Laine at the Presbyterian Church, an omission of full lines was made in the last paragraph. The complete text of this paragraph follows:

Your Work, in most cases, is already allotted to you, but if there is more you can do—then Pledge yourself Today to do it. Your "weapon" may be your own choosing, whether it be a War Savings Certificate, or if you can handle a larger "weapon"—a Victory Bond for these are the weapons that "Egan" wants as we work to build up the "Walls" nearest our own homes, under the protection of those whom we have helped to equip for the fight. And, if we back up our part by God's help and under His guidance, the Day will soon come when WE TOO can say—and so we Thank God—build the Wall and Freedom and Peace and Gladness are ours—and the World's—because—"We had a Mind to WORK."

The following is a letter received from one of the Bassano boys serving with His Majesty's Forces and as typical of several others which have been addressed to the Editor during the last three months.

Editor, Bassano Recorder, Bassano, Alberta.

Dear Sir,

I have been receiving the Bassano Recorder ever since I joined up. I wish to express my gratitude in thanking you for it.

I was home once, and was going to stop in and thank you personally, but I just never got around to it.

The Recorder sure helps as it keeps me in touch with the town folk, which after all, are the best yet.

Please excuse the delay in my acknowledgment of receiving the Recorder, but I do appreciate it.

Sincerely,
H. R. Bacon.

Over the Top, Canada!

A cancerous growth eats at the heart of Europe spreads from country to country threatens to attack our own land. It's up to us to kill it with guns and tanks and planes.

So Canada needs the use of your savings. You are asked to invest them in Victory Bonds. Canada will repay you in full with interest.

CONSIDERATION FOR COMFORT OF TRAVELLERS NEEDED

It has been noticed recently that a number of youths who gather at the station each evening are in the habit of making a considerable amount of noise, such as shrill whistling and screaming.

This practice is very disturbing to passengers aboard trains who are trying to sleep, and very objectionable to persons exercising on the platform, besides giving them a very bad impression of Bassano.

Consideration for the comfort of travellers passing through at any hour is necessary, and especially so at night. It will be appreciated in the future, a better impression is left in the minds of those who possibly are seeing Bassano for the first time.

IS IT YOUR TORCH YET?

Canada's Victory Loan Torch is speeding closer and closer to Prime Minister Winston Churchill, a symbol that expresses the deter-

SUBSCRIPTION RATES
One Year in Canada \$2.00
Six Months in Canada \$1.00
One Year in Great Britain and the United States \$2.50

mination of Canadian people to finish the job. Judging by the flow of subscriptions during the first half of the campaign, Canadians will be proud to send along the Torch in the knowledge that they responded to a challenge and supplied \$600,000, 000 as "part of the tools." There will be much deeper satisfaction, however, if by the time the Torch leaves Halifax for Number 10 Downing Street, the loan shall have been over-subscribed by many millions of dollars, and if thousands more Canadian citizens are represented in the subscription lists.

The sentence, "Canada's Victory Loan 1941. Part of the tools," is

carved on the base of the symbol. One of the primary motives in sending the Torch to Great Britain was to do something unusual that would demonstrate to those living in the British Isles that they are not alone in this struggle. The larger the number of Canadians who buy bonds, the more impressive will that symbol be when it is landed on old country soil.

Buy a Victory Bond — even if you can only invest fifty dollars — and be actively identified with the ambitious plan to provide cheer for the soldiers and civilians now in the front line.

Urge Your Menfolk to Buy Victory Bonds NOW

You can no longer depend upon the Atlantic Ocean for protection. Any day between breakfast time and noon, a bombing plane can fly from Greenland to our own Maritimes and Quebec—a mere matter of 5 hours; to Winnipeg in less than 9 hours; to Vancouver in 10½ hours. From German-occupied France, bomb-laden planes can carry destruction to Toronto, Niagara, Ottawa and Montreal in less than 10 hours. Night and day, in the British Isles and on the sea, in and out of uniform, men defend your home from attack as surely as though they stood and fought at your own doorstep. Will you help to supply them with tools to carry on the fight—your fight? Will you help to make certain that there shall never be an "occupied" Canada?

Your Government needs some of your savings to buy more ships, planes and tanks—munitions of war that will hurry the return of our men to their homes, insure our way of life. Lend your money by buying Victory Bonds NOW!

The money you invest in Victory Bonds will come back to you with interest. Lend your money. We must win this war. Lend to preserve the things that money cannot buy. Urge your menfolk to protect your home by investing in Victory Bonds now. All that you hold dear is threatened.

HOW TO BUY

Give your order to the canvasser who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. HOW GERMANY COOKS THE FIGURES
German news reporting takes as a basic principle the distortion of events to suit the Nazi legend of invincibility. This is the reason for their blandly ridiculous claims. "Propaganda must not investigate the truth objectively, or present it according to theoretical rules of justice, but must present only that aspect of the truth which is favorable to its own side." (Mein Kampf' edition page 161).

The people of England are not deceived by German propaganda. They have had visual evidence to support their disbelief. They remember the triumphant return of H.M.S. Exeter, which the Germans announced had been sunk in January, 1940. They remember the battle of Britain, which the Germans declared had been won by the Luftwaffe. Hundreds of them watching this battle saw how many German planes crashed in flames and how few of our own were shot down. They saw ground in the south of England littered with Messerschmitts. They know that Ger-

man claims were worthless. The Official Enemy Communications are as little to be relied on as news-talks on the German Wireless. In the first eighteen months of the war the German High Command sank or seriously damaged more than double the number of British warships possible by the whole Empire in September, 1939. Germany with bogus generosity has decided to retain as her own perquisite this priceless gift of World blood but to extend it to other nations. It is to be hoped that the recipients appreciate the signal honour that Hitler has paid them.

IN MEMORIAM

Maclean, Douglas (Dodo) Melvin.
In loving memory of our dear son and brother who passed away on to his reward June 21st, 1940. Age 18 years.
One year has passed, how long it seems.

But in our hearts his face still beams,
We, who loved him dearly, know
How much we lost one year ago.
We think of him in silence,
We oft repeat his name,
What would we give to clasp his hand
And hear his voice again.
Ever lovingly remembered by,
